

Prayers: From LA

2020 ARTIST AGREEMENT

Dimension & Requirements. The 2020 'Prayers' Digital Exhibit requires Artists submissions as high resolution color accurate jpeg images. A maximum of 4 pieces may be submitted. There is no strict limitation in size due to the digital nature of the exhibit. Artists should still be mindful about shipping their pieces if pieces are sold as well as the event of a physical exhibition.

In the event of physical exhibition: Art pieces must be on the small side of the scale. We don't like to place strict limitations on our participants and just ask that you be mindful – mindful of the themes and that it is an inclusive exhibit: In previous years, you would have been sharing a wall space, spectacularly, with other artists. This year's digital exhibit has less limitations on size constraints. The usual suggestion is that "prayer" art pieces stick to being about the size of your hand. Emphasis on intimate, smaller pieces. All mediums are welcome.
